

School Computer Network

By Phil Bagge
code-it.co.uk

Network

a group or system
of interconnected
people or things

Network

a **group** or system
of **interconnected**
people or things

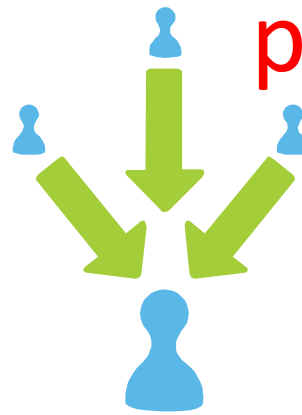

Network

Family Network

a **group** or system
of **interconnected**
people or things

5 minutes to draw a family
or friends network on your
whiteboard

Place yourself in the
middle and your network
around you

Friends Network

Network

a group or system
of interconnected
people or things
