

Start when green flag clicked

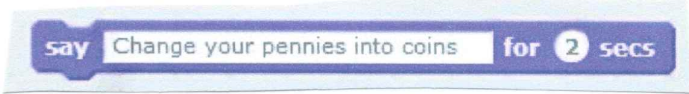

Set pence and start amount variables to 0

Delete all from coins list

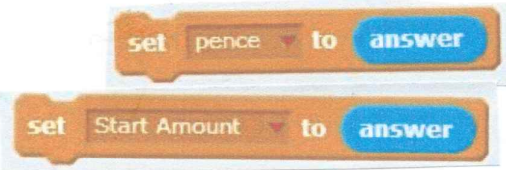

Say change your pennies into coins for 2 secs

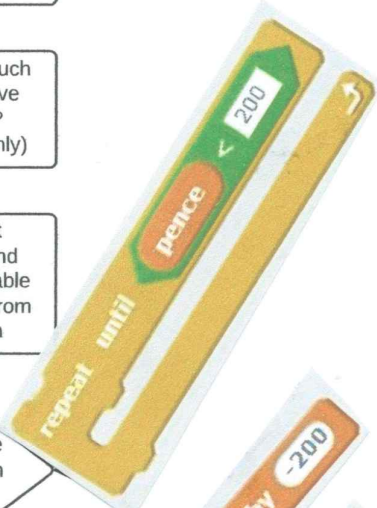

Ask how much money have you got? (number only) and wait

Set start amount and pence variable to answer from question

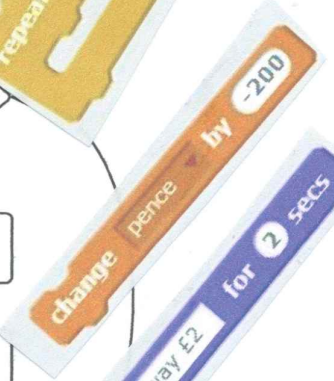

Is pence less than 200?

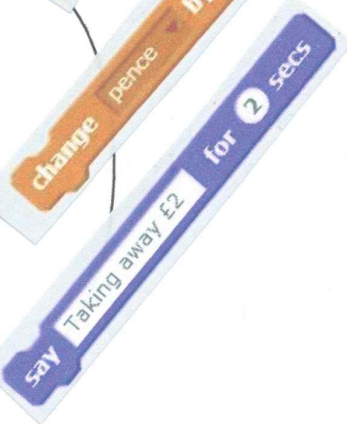

Add £2 coin to coins list

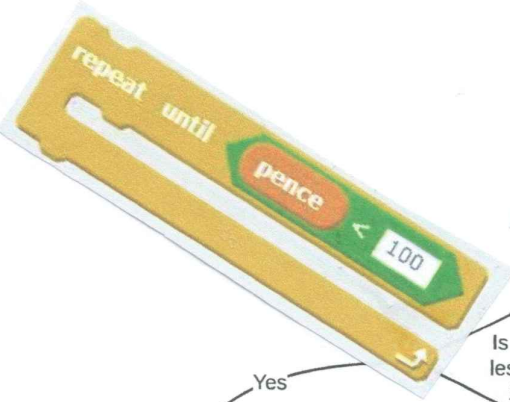

Change pence variable by -200

Say take away £2 for 2 secs

Is pence less than 100?

Repeat pattern for all other coins until 1p

End

Add 1 coin to coins list

change pence variable -100

Say take away 1
