

Name:

Class:

Learning Intention:

I am learning to code a dressing up game in Scratch

Success Criteria:

How did I do?

I can change the colour of my sprite

I can code the sprite to change costumes with a mouse click

I can draw my own accessories

I can code the accessories to change colour with a mouse click

I can import lots of backgrounds

I can code the backgrounds to change with a mouse click

Challenge

I can fix (debug) any errors

wk1

wk2

wk3

I can do it

Did it a bit but didn't fully get it

Didn't get it at all

I like your work because

I think you can improve
