

Name:

Class:

Learning Intention:

I am learning to spot patterns and convert a flow chart algorithm into code

Success Criteria: Main path bold	How did I do?	
I can investigate greater than and less than using Scratch		
I can work out how to check for = as well as greater than and less than independently		
I can spot the flow chart pattern and fill in the missing blocks		
I can match the flow chart to the blocks		
I spotted where one flow chart block was converted into two scratch blocks		
I can build and test my change machine using £2 and £1		
I can complete the program using all other coins		
I can add in notes		
I can explain what is happening in the program in detail on video or using the comments		
I can adapt the program to work with other currencies than sterling (pounds and pence)		
I can see where this program might be useful		
I can put the program in a loop		
I can code an emergency stop by pressing x on the keyboard		
Challenge		
I can debug (spot and fix) any errors		

☺ I can do it

☹ Did it a bit but didn't fully get it

☹ Didn't get it at all
