

Name:

Class:

Learning Intention:

I am learning to code a 2D shape drawing program using pseudo code

Success Criteria:	How did I do?	
I can draw and centre an arrow head sprite		
I can follow pseudo code instructions to code a program		
I can use my program to investigate the properties of 2D shapes		
Extension		
I found a way to record the angles and number of sides		
Challenge		
I can test and debug my code		

☺ I can do it

☹ Did it a bit but didn't fully get it

☹ Didn't get it at all
