

Whatsdown

Cool new online 'chill space'

Role Play

- Your card has the character details on it
- You are role playing a character
- The character is **NOT** you
- Make up other information about the character as long as it doesn't disagree with what is on your card
- **Don't** show your card to anyone else
- Do what you think the character would do **NOT** what you would do

Example Card

Online Name –Floobear

Age 7 Female

You are an only child. You are rarely allowed to play out because you parents have busy jobs.

Your older brother set up your Whatsdown account. Your mum doesn't know about your account. You would really like someone to play with.

Using Whatsdown

To write a message put it in a speech bubble
