

Online Name funnybunny23

Age 8 Female

Older sister set up your account. Your mum doesn't know you use it. You use **whatsdown** when you get bored. You want to make friends as you have just moved into the area. You like my little pony.

Online Name Hope Pally

Age 32 Male

You use **whatsdown** to find out information about peoples lives so you can burgle their homes. You try to make friends as you find in the long run they give you better information. Don't let anyone know your real age or name. Offer fake information about your home or holidays to encourage others to share.

Online Name blaZe star

Age 11 Female

You don't have many friends so go online because you are lonely. You would love to make some real friends to share your interests in person.

You know Blanca from school she is in the year above you

Online Name Code Hacker

Age 10 Male

You enjoy playing online games but occasionally hang out on **whatsdown** as your older brother uses it. You share lots of information about yourself online as you feel safe because no one knows you in real life.

Online Name Blanca

Age 12 Female

You love taking photos of yourself and posting them online. You spend a long time taking the perfect photo and photoshopping it.

You know blaZe star from school she is in the year below yours

Online Zeus

Age 11 Male

You get bullied a lot at school. You love using **whatsdown** as it gives you a chance to put others down and feel powerful for a change. Put people down but don't go too far or the others will un-friend you.
