I can lead using all the people talent in my group.
I can discover / concentrate on the most important part of a problem

Copes with Complexity

Code-IT
I can break complex problems into parts.
I can evaluate my solutions against set criteria
I can repeatedly experiment through predicting, making, testing & debugging
I can make predictions about what will happen.

I don’t just accept the first solution

Open Ended Problem Solver

Code-IT
I look for a range of solutions to the same problem
I can persevere even if the solution is not obvious
