

# Pico and Terra Flow of Control

Draw the flow of control for each code section

```

ask 50x3=? and wait
if answer = 150 then
  say Correct for 2 seconds
else
  say The right answer was 150 for 4 seconds
  
```

```

repeat until answer = Pico
  ask What quiz is best? and wait
  
```

```

say If loudness is greater than 50 I will stop talking
wait until loudness > 50
say 
  
```

```

ask How old are you? and wait
if answer = 8 then
  say Hey you are 8 like me. for 4 seconds
  say We can be best friends for 4 seconds
else if answer < 8 then
  say You are younger than me! for 4 seconds
else if answer > 8 then
  say You are older than me! for 4 seconds
  
```
