# Implementing the Teach Computing Curriculum

## Pre-Task: Refection Audit of Computing

| | |
|---|---|
| How long have you been delivering the Teach Computing Curriculum? | |
| Is the Curriculum being delivered in every year group? How do you know? | |
| Are there any barriers to the Curriculum being delivered effectively? | |
| Do you have an allocated time for the subject to be delivered? | |
| How confident are teachers in the delivery of the subject? | |
